DATE OF INFORMATION:

25X1X

SOURCE:

ILLEGIB

[REDACTED] Camp Kannenburg in the Templin training area was occupied by only a guard unit of about 200 soldiers. Meals for these troops were prepared in the Freienwalder Kitchen. The various kitchens in the camp were named according to the military posts. The Prenzlau, Oranienburg and Eberswalde kitchens were not in operation. \*

25X1A

\* [REDACTED] Comment. The information indicates that Camp Kannenburg was probably being guarded by a component unit of the 6th Mecz Div which had been in the training area in the summer of 1951.
